

**UC San Diego Foundation
Assistant Treasurer**

Steven W. Relyea

Steven Relyea is the Vice Chancellor for Business Affairs at the University of California, San Diego.

Vice Chancellor Relyea oversees business operations for a campus with an annual operating budget of over \$2.5 billion, including financial services, human resources, facilities management, purchasing, administrative computing, telecommunications, housing, dining services, police, bookstores, environmental health and safety, transportation , and other campus-wide administrative functions.

Vice Chancellor Relyea currently serves on the Board of Directors of Internet2, the Better Business Bureau of San Diego, and the NACUBO Research Universities Council.

In 1999, Vice Chancellor Relyea's management team was honored as the sole winner in the education category of USA Today's Quality Cup Award. In that same year, the National Association of College and University Business Officers recognized his management team with one of their top awards.

In 2003, Vice Chancellor Relyea's performance management program led to UC San Diego becoming the first university inducted into the Balanced Scorecard Hall of Fame. In 2004, he was named the *Distinguished Business Officer of the Year* by the National Association of College and University Business Officers.
