

Trustee

Richard Hertzberg

Dick Hertzberg is the Chairman, CEO, and President of ENPEX Corp., a privately held energy company involved in the creation, development, financing, construction, operation, and ownership of cogeneration projects, oil and gas production and exploration, and alternative energy projects.

He is past chairman of the UC San Diego Chancellor's Associates and served previously as a UC San Diego Foundation Board Trustee from 2000 – 2006. Dick and his wife Carol are longtime, loyal supporters of UC San Diego. In addition to Scripps Institution of Oceanography, they have supported engineering, medicine, science and other important programs. Recognized as Chancellor's Associates donors, they have also given to initiatives that include scholarships and The Preuss School UCSD.

Dick Hertzberg received his Master's Degree in Engineering from Columbia University.
